

# Greystone Manor

Therapeutic Riding Center

January 2010

Dear LCTR Family and Friends,

The new year has already brought many exciting changes to Lancaster County Therapeutic Riding. One of the most obvious is our new name, *Greystone Manor Therapeutic Riding Center* or *Greystone Manor TRC* for short. As we contemplated operating a fully dedicated therapeutic riding facility as well as striving toward our vision of being recognized in our community and beyond, it seemed like the perfect time to brand our organization. We are confident the change will ultimately bring us greater recognition and prepare us for future growth.

The other most apparent change is that the entire facility at Greystone Manor is now under our sole occupancy and management. This will enable us to grow our program, offer new additional services, host more special events, make facility improvements and, most importantly, continue to serve all the riders, both present and future, who are so special to all of us.

We are also happy to announce that Kaylynn Shelly Ryder, one of our instructors, has accepted the position of stable manager. She and her husband, Adam, will be living on site beginning February 1, 2010 and will be caring for our horses.

We would be remiss if we did not thank all the volunteers who came to Greystone every day in January (and we all know how cold it was) to take care of our horses and the facility. A very special thank you to our leadership team for the endless hours they put into this transition. Patti Draude, Sandi Pearsall, Terri Kutz, Tracy Becker, Troy Hess, Butch Prokay and Kaylynn Ryder – thank you, thank you, thank you!!!

But in the end, none of these exciting changes would have been possible without all of you who are part of our Greystone Manor TRC family. Whether you are a volunteer or rider, staff or supporter, you are the heart of what makes what we do possible each and every day.

Sincerely,

Board of Directors

PS – Mark your calendars for April 24 and 25. We will be having a ribbon cutting ceremony to kick off our grand opening and as well as being host to the Lancaster County Horse Farm Tour sponsored by PA Equestrian. It will be a very exciting weekend with a lot of activities. Stay tuned for more information.
